School  
by Kathy  
Maitland

I like  
school.

I read

I work

And play.

I like  
school.

I learn

New  
things

Each day.

I like  
school.

I write

I sing

And run.

I like  
school.

It's great

To have

Such fun.

### Things That You Maybe Didn't Know!

- Queen Elizabeth II of England sent her first email way back in 1976. Bet you weren't even born then!
  - Coca-cola (coke) was originally green. Bleuch!
  - Leonardo da Vinci invented scissors.
  - The wheelbarrow was invented in ancient China.
  - Napoleon Bonaparte was afraid of cats! Meow.
  - People had ferrets as pets way before they had cats.
  - The oldest toy in the world is a doll. It was invented in Greece about 3000 years ago.
  - Before 1800 separate shoes for the left and right foot were not designed. Both shoes were the same!
  - The first product made by Sony was a rice cooker.
  - Cleopatra was Greek, not Egyptian. Hmmmm?
- If you don't believe, check in the Net ☺

### My School Promise by unknown

Each day I'll do my best

And I won't do any less.

My work will always please me,

And I won't accept a mess.

I'll color very carefully,

My writing will be neat.

And I will not be happy,

Till my papers are complete.

I'll always do my homework,

And try my best on every test.

I won't forget my promise,

To do my very best!

some people wish to be  
pretty, rich and famous, or popular

me? I just  
want to be  
happy.
